Cbus-2 Integration

BOBBIO to Aiphone ONVIF is an extremely easy integration.

Here is the step by step guide to achieving the integration.

In this guide we are adding a new camera to an existing BOBBIO app

Open up your IX IP address

Note: you need to add /webset.cgi?login to the end of your IP address.

Create an ONVIF and RSTP login and password

Save changes to IX door station

IX System Web settings	× +						~	-	a ×
← → C ▲ Not secure	https://192.168.1	1.160/webse	t.cgi?setting					• •	Guest
