---

BOBBIO
Aiphone ONVIF Camera

BOBBIO to Aiphone ONVIF is an extremely easy integration.

Here is the step by step guide to achieving the integration.

In this guide the new camera is added to an existing BOBBIO app
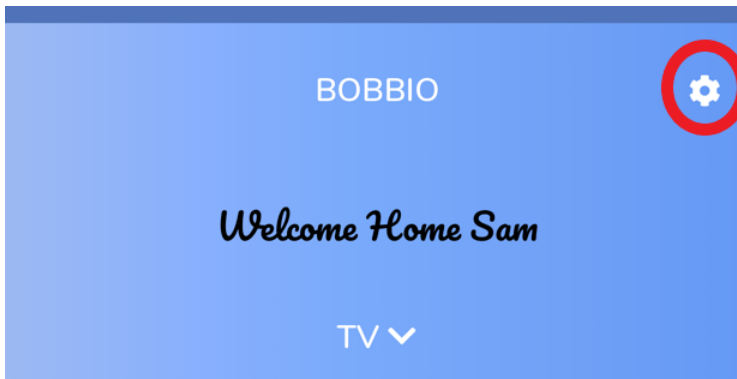

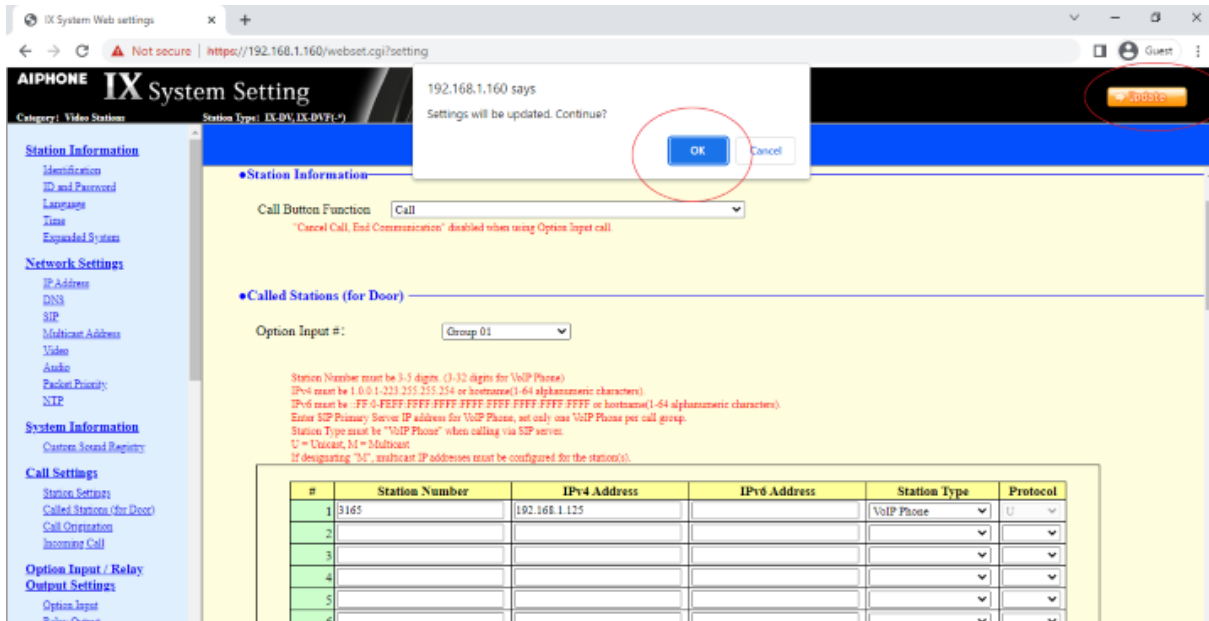

Open up IX IP web address

Note: Remember to add /webset.cgi?login to the end of your IP address.

Create an ONVIF and RSTP login and password

Save changes to IX door station

Open the BOBBIO app and enter the edit mode

Click on settings icon top right

Click the settings icon in the top right corner of the screen.
